## Bloodmobile: 152 units

By ALICE C. MARTIN

On Monday, February 23, the bloodmobile came to Appomattox for our regular scheduled visit. Along with the spring showers we had a really fantastic day. We well exceeded our 100 goal when 161 donors came out and we ended the day with a net collection of 152 units. February must be the best time for collecting blood. That is the exact number we collected on Feb. 11, 1980.

It was quite an experience, on this visit, to see the new equipment that the Red Cross has acquired. It is amazing to see the advancement of modern technology. Everyone liked the "NEW LOOK" and remarked how comfortable the chairs were. The new equipment is also efficient and easily moved from one site to another. If YOU were unable to come out at this visit make plans now to come on Monday, April 20.

We had a big 21 first time donors. They are as follows: **Susan B. Woody, Florence W. Baldwin, Mary E. Morrell, Robert H. Gray, Jr., Rose M. Anthony, Pam D. Robertson, Patricia A. Prasnioski, Donald M. Abernathy, John A. Elder, Orla L. Crain, Jeanne K. Motley, William D. Hix, Jr., Wanda P. Vandegrift, Charles E. Hummel, Nancy A. Johnson, Sue G. O'Brien, Charles A. Smith, Faye C. Stephenson, Dean C. Smith, Mark K. Hunter and Frieda S. Marston.**

**Repeat Donors were: Henry N. Mann, of Rt. 1 Appomattox, took top honor for the day as he received his five gallon pin. Clarence M. Franklin and Robert M. Torrence each received a four gallon pin. Four donors who reached the two gallon mark were Broderick C. Cox, Annette B. Williams, Rev. Edward Leonard and Roberta Coleman. One gallon pins went to: Barbara Watson, Nancy Ann Woods, Frances W. Gilliam, Delois Ayers, Kenneth T. Dunn, Robert H. Goin, Aileen T. Ferguson, and Wayne C. Jennings.**

It is so good to see the donors who were first timers on our last visit and previous visits returning to donate blood. I noticed a number who were donating for the second time. They have found that giving blood is a simple procedure and a most rewarding experience. If you have not begun the habit, give some serious thought to starting.

Thanks to all who gave of their time to make possible our bloodmobile visit. A very special thanks to Liberty Baptist Church for their generosity in making their facilities available on every visit.

## Pamplin students 'run for fun'

Sixth grade students at Pamplin Elementary School have been participating in a Run for Fun of .8 mile. They have had two runs over the course and they say that running nearly a mile is hard work. Robert Croner was won both races with times of 6:05 and 6:25. Tara Walker was second on February 25 with 6:29, and Landell Johnson was second on March 4, coming in at 6 minutes and 58 seconds.

Robert Croner, the man to beat, says he runs because "I like to run." Other students run because "it's something new," "to get in shape," "to lose weight," and "it's fun." One runner said she liked to find out how fast she could run and another student is training for the Longwood Minithon in April.

Congratulations to these young people who are putting an extra effort into physical fitness.
